Chocolate Parties

For Aged 5 Years & Up

‘Perfect for Children, but Grown Ups... you can have your own party too!’

We bring this unique, fun filled party experience to you.

Invite the children, decide on your venue, then sit back, relax or join in the fun...

It's our job to do the rest!

The Children will have great fun learning how to hand make a selection of delicious treats from our range of chocolate creations.

Truffles, Dipped Tuxedo Strawberries, Painted Cases, Florentines to name a few.

Each child takes home their own hand made chocolates carefully presented in a party box.
